If you come in house while I'm outside, on the stove is dog food, not human food.

No just that he was pulled over by trooper. I'm not 100% sure but I think he takes 17 to the diner exit and then comes down from 17 to 17k to here. I don't know where he was tho cuz he arrives at random hours daily. So I can't gage where he would have been
